FILM PLATFORM's **exclusive** collection of documentary films has been carefully selected from prestigious film festivals, made by the best filmmakers from around the globe. Masterfully produced, the films create an emotional experience for the viewer, engaging them deeply and authentically in some of the most pressing issues of our time.

Third World Newsreel (75+ videos)

For more than five decades, Third World Newsreel (TWN) has been a media distributor of social issue films made by and about people of color and other underserved groups. TWN's collection includes films by established and emerging media artists including Oscar-nominated filmmaker Christine Choy, Sundance-Award winners Kim Dong-won and Dawn Porter, the Newsreel Collective catalog, and the work of late filmmakers Camille Billops & James V. Hatch.

Accessibility

Searchable, scrolling transcripts and on-screen captions

Up-to-date accessibility statement with AA rating

Compatible with industry standard screen-readers including JAWS and NVDA

Audio described video available on-demand

On-Demand Audio Described Video

- **Improved accessibility**, along with our searchable, scrolling transcripts and captions
- **Enables libraries** to provide an accommodation to visually impaired students
- **First academic video platform** to have this feature

How it works:

- User requests need of audio description to library
- We add audio description at no charge, within 2 weeks
- All Academic Video Online customers will have access to the audio description once live
